- Foster homes are responsible and liable for the actions of foster animals while in their care.
- If unable to continue to foster an animal for any reason, the Foster agrees to keep said animal until another foster home can be found or until the animal can be safely placed into another environment.
- A ReJoyceful Animal Rescue will provide necessary medical expenses for all foster animals, providing that the foster animals are brought to the A ReJoyceful Animal Rescue approved veterinarian and that the visit was previously approved by A ReJoyceful Animal Rescue Representative.
